

We started as a live band playing basements, bars, parties and clubs to anyone who cared. Over the years we've made records, toured the world over, met so many people and created countless memories together. Through it all, the live show has remained the essence of THE BOUNCING SOULS. We tried to capture that essence with this collection.

BOUNCING SOULS LIVE

- THE BOUNCING SOULS have toured the world over for 15 years and this collection of 29 live tracks brings them straight to your living room!
- The live EP "Tie One On" sold over 70,000 copies worldwide.
- This double CD set has over 75 minutes of pure SOULS!
- The track list reads like a greatest hits record.
- ...for kids!!
- Press campaigns by Riot Act Media (North America) and Skullduggery (Europe).
